

Double-Sided Pedestal EVE Single (2 Wallboxes)

Free-standing pedestal for mounting two Alfen wallboxes of the EVE Single series

DESCRIPTION

This pedestal is designed for the simultaneous installation of two wallboxes from the Alfen EVE Single series. Mounting is done conveniently via the integrated mounting plate, while the supply cables are routed safely inside the post. A matching precast concrete foundation (Art. 4000-0183) is available for stable and fast installation.

HIGHLIGHTS

- Compact pedestal for EVE Single wallboxes
- Robust metal construction
- Holds 2 wallboxes (one on each side)
- Space-saving installation
